Dear Sir/Madam,

Re: HIGHWAY CLOSURE INFORMATION - MILK AND WATER DROVE, B1095, PETERBOROUGH

CLOSURE FROM MONDAY 17TH FEBRUARY FOR 4 WEEKS

I am writing to advise you that on Monday 17th February a 24/7 full road closure of (B1095) Milk and Water Drove from its junction with (A605) Whittlesey Road to its junction with (B1095) Ramsey Road will be put in place for four weeks.

Cadent Gas will be carrying out investigatory surveying work of its gas pipes in the area. This is being done to assist our preparations for highway improvement works which we have planned for later in the calendar year.

The Green Wheel footpath from Stanground to Farcet along the River Nene (including the footbridge at Horsey Toll) will also be fully closed during the works.

The approved highway diversion route will be B1040 Ramsey Road>B660 Long Drove>B1043>A15 London Road>A1260>A1139>A605 and vice versa.

Due to the nature of the works there will not be access to properties from the A605, access will be from Pondersbridge. The City Council and Cadent Gas will take every opportunity to ensure that the works progress with the minimum of inconvenience but should it be necessary to restrict access to premises for a short period, your assistance and co-operation would be appreciated.

If you have any questions in relation to the proposed works, please contact the Customer Liaison Officer, Anna Jurs via the Peterborough Direct Service on (01733) 747474 or by e-mail at: peterborough.schemes@skanska.co.uk

Contd.
Should you wish to report any incidents on the site outside normal working hours, please telephone: 0845 604 3127 and follow the instructions to access the out of hours service.

Yours faithfully,

Anna Jürs
