Minutes for 7th March

- 1 Present - Mesdames: Phillips, McAndrew.
Messrs: Shearing, Phillips, Whitwell, Hancock, Green.
Apologies - Boddington, Barback.
- 2 Minutes for 7th February - These were signed as a true record.
- 3 Survey document - The wording in the foreword appears to cover the points that Richard wanted to make regarding the significance of the amount of walls we've lost over the years. So whilst we await this from SPAB, I asked if there was anything else that ought to be mentioned. We agreed on a short piece charting our group and its achievements so far. Richard, Robert and I will put something together.
- 4 Museum mud wall display - Our display was well received by those visitors who came, particularly those from outside Whittlesey. It will be interesting to see what response we get when we take our display around the area.
- 5 Tree application - The completed forms were handed to FDC on Friday 9th March. If they're happy that everything's been answered, permission for removal should be given, and the trees may be removed later this year.
- 6 Cheque signatory - Richard brought the necessary forms from the bank, which David, Richard and I signed, and will now be sent to the bank. Hopefully, it will be a painless transition.

Next meeting -

Wednesday 4th April at 10.30am.
