

**Whittlesey
Mud Walls
Group**

c/o The Town Hall
Market Street
Whittlesey
Peterborough
PE7 1BD

Minutes for 3rd April

- 1 Present - Mesdames: McAndrew, Sanders.
Messrs: Shearing, Whitwell, Gerstner, Boddington, Hancock, Lacey, Green.
Apologies - R Phillips, Wicks.
- 2 Minutes for 6th March - These were signed as a true record.
- 3 English Heritage - Nicola Duncan-Finn used to be a Conservation Officer for Fenland District Council along with Katie McAndrew, but now works for English Heritage. She was contacted by Dr Andy King, Director and Principal Geologist with Geckoella Ltd. He is putting a document together called 'The Cambridgeshire Building Stone Atlas'. Nicola put him on to us as she felt that our mud walls fitted their criteria. He contacted me, I've provided lots of documentation and photos, and Whittlesey Mud Walls Group and our walls will be featured in the finished document. He will be sending me a finished pdf, so if anyone would be interested in a copy, let me know and I'll email it to you.
- 4 Wall list - We are currently talking with a few of our mud wall owners with a view to arranging to have foliage removed and getting quotes for coping repairs.

Next meeting -

Wednesday 1st May at 10.30am.

Mike
