Minutes for 4<sup>th</sup> September

- 1 Present - Mesdames: Katie McAndrew, Sandra Gutteridge.  
Messrs: Mike Shearing, Ray Whitwell, Roy Gerstner, Robert Boddington,  
David Hancock, Peter Davies, Robert Green.  
Apologies - Richard Phillips, Alan Lacey.
- 2 Minutes for 7<sup>th</sup> August - These were signed as a true record.
- 3 Whittlesey Festival - The advert for our event was in the Festival programme and we also put it on our Facebook page, in the Library and several shops. I was pleasantly surprised when I read the Festival previews in 'The Fens' and 'Discovering Whittlesea', to find that the Mud Walls Group had been listed as an attraction! High praise indeed, and thank you to the Festival Committee who wrote the article. It was a case of making sure everything had been thought of and arranged, how many of us were available and who would be doing what. It appeared that there would be enough of us to manage, so we look forward to seeing some of you on Sunday. Let's hope the weather is kind.
- 4 Chris Burton's leaflet - Chris has kindly put together a leaflet for us, explaining how the housing market views properties that have a mud wall. We're hopeful that this information may help to make owners and guardians feel and think more positively about their walls, that they are an asset not a burden. I will be delivering a copy to all our owners and guardians, and they will also be available in the Library, Museum and Council offices.
- 5 Facebook page - It was felt that the header picture on our Facebook page needed updating. The present image doesn't give an accurate impression of what we're about. We have now agreed on a replacement, so look out for it soon. We hope you'll like it, feel free to leave us your thoughts and comments.

Next meeting -
