Grant Funding Schemes

Small Business Grant Fund and Retail, Hospitality and Leisure Grant Fund Guidance
About this guidance

1. This guidance is intended to support Local Authorities in administering the business grant schemes announced at Budget on 11 March 2020, and the level of funding was increased in a statement from the Chancellor on 17 March. This guidance applies to England only.

2. This guidance sets out the criteria which central government considers for this purpose to be eligible for the Small Business Grant Fund (SBGF) and the Retail, Hospitality and Leisure Grant Fund (RHLGF). This does not replace existing guidance.

3. Enquiries on this measure should be addressed to businessgrantfunds@beis.gov.uk

Introduction

4. In response to the Coronavirus, Covid – 19, the Government announced there would be support for small businesses, and businesses in the retail, hospitality and leisure sectors.

5. This support will take the form of two grant funding schemes, the Small Business Grant Fund and the Retail, Hospitality and Leisure Grant Fund.

6. This document provides guidance to authorities about the operation and delivery of the policy.

How will the grants be provided?

7. The Government will, in line with the eligibility criteria set out in this guidance, reimburse Local Authorities that pay grants to eligible businesses. Central government will fully reimburse Local Authorities for the cost of the grant (using a grant under section 31 of the Local Government Act 2003). Local Authorities will be responsible for delivering the funding to eligible businesses.

8. We are committed to meeting the delivery costs to Local Authorities for this scheme, and will meet associated New Burdens costs. A New Burdens Assessment will be completed and funding then provided to authorities.

9. Local Authorities that will be responsible for making payments to businesses and which will receive funding from Government are business rate billing authorities in England.

How much funding will be provided to businesses?

10. Under the Small Business Grant Fund (SBGF) all businesses in England in receipt of Small Business Rates Relief (SBRR) and Rural Rates Relief (RRR)
in the business rates system will be eligible for a payment of £10,000 in line with the eligibility criteria as set out in paragraphs 15-21.

11. Under the Retail, Hospitality and Leisure Grant (RHLG) businesses in England in receipt of the Expanded Retail Discount (which covers retail, hospitality and leisure) with a rateable value of less than £51,000 will be eligible for the following cash grants per property.

12. Eligible businesses in these sectors with a property that has a rateable value of up to £15,000 will receive a grant of £10,000, in line with the eligibility criteria as set out in paragraphs 22-27.

13. Eligible businesses in these sectors with a property that has a rateable value of over £15,000 and less than £51,000 will receive a grant of £25,000, in line with the eligibility criteria as set out in paragraphs 22-27.

14. Businesses with a rateable value of £51,000 or over are not eligible for this scheme. Businesses which are not ratepayers in the business rates system are not included in this scheme.

Who will benefit from these schemes?

Small Business Grant Fund

15. Hereditaments included in this scheme are those which on the 11 March 2020 were eligible for relief under the business rate Small Business Rate Relief Scheme (including those with a Rateable Value between £12,000 and £15,000 which receive tapered relief).

16. These are hereditaments to which:

   a. Section 43 (4B)(a) of the Local Government Finance Act 1988 (small business rate relief) applied, and

   b. The value of E (as defined in article 3 of the Non-Domestic Rating (Relies, thresholds and Amendment) (England) Order 2017, SI 2017/102) was greater than 1.

17. Hereditaments that were not eligible for percentage SBRR relief are excluded, unless eligible for the Small Business Rate Multiplier.

18. Hereditaments which on 11 March 2020 were eligible for relief under the rural rate relief scheme are also eligible for this scheme. These are hereditaments to which Section 43 (6B) of the Local Government Finance Act 1988 (rural rate relief) applied.

19. Eligible recipients will receive one grant per hereditament.

Exclusions to Small Business Grant Fund
20. Hereditaments occupied for personal uses. Examples of where there may be personal use include private stables and loose boxes, beach huts and moorings.

22. For the avoidance of doubt, businesses which as of the 11 March were in liquidation or were dissolved will not be eligible.

**Retail, Hospitality and Leisure Grant**

23. Hereditaments which on the 11 March 2020 had a rateable value of less than £51,000 and would have been eligible for a discount under the business rates Expanded Retail Discount Scheme had that scheme been in force for that date are eligible for the grant.

24. Eligible recipients will receive one grant per hereditament.

**Exclusions to RHLG**

25. Hereditaments occupied for personal uses. Examples of where there may be personal use include private stables and loose boxes, beach huts and moorings.

27. For the avoidance of doubt, businesses which as of the 11 March were in liquidation or were dissolved will not be eligible.

28. Hereditaments with a rateable value of over £51,000.

29. Only one grant may be awarded per hereditament.

**Who will receive this funding?**

30. The person who according to the billing authority’s records was the ratepayer in respect of the hereditament on the 11 March 2020.

31. Where the Local Authority has reason to believe that the information that they hold about the ratepayer on the 11 March 2020 is inaccurate they may withhold or recover the grant and take reasonable steps to identify the correct ratepayer. Local Authorities should make clear to recipients that the grant is for the ratepayer and may be liable for recovery if the recipient was not the ratepayer on the eligible day.

32. Landlord and management agents are urged to support local government in quickly identifying the correct ratepayer.
Managing the risk of fraud

33. The Government will not accept deliberate manipulation and fraud - and any business caught falsifying their records to gain additional grant money will face prosecution and any funding issued will be subject to claw back.

34. The Government Grants Management Function and Counter Fraud Function will make their digital assurance tool, Spotlight, available to Local Authorities, and will offer support in using the tool and interpreting results.

Rating List Changes

35. Any changes to the rating list (rateable value or to the hereditament) after the 11 March 2020 including changes which have been backdated to this date should be ignored for the purposes of eligibility.

36. Local Authorities are not required to adjust, pay or recover grants where the rating list is subsequently amended retrospectively to the 11 March 2020.

Rating List Changes Exceptions

37. In cases where it was factually clear to the Local Authority on the 11 March 2020 that the rating list was inaccurate on that date, Local Authorities may withhold the grant and/or award the grant based on their view of who would have been entitled to the grant had the list been accurate.

38. This is entirely at the discretion of the Local Authority and only intended to prevent manifest errors.

39. Where the Local Authority chooses to use this discretion then landlords and managing agents are urged to support the Local Authority in identifying quickly the correct ratepayers.

Post Event Assurance

40. Post payment, the Government Grants Management Function and Counter Fraud Function will support local authorities to carry out post-event assurance work to identify high risk payments.

41. Annex B sets out the minimum data local authorities will need to have available in a format that can be shared with central government, in order to complete effective post award assurance on grants (and in some cases needed to make awards). Local Authorities will already have/be collecting much of this data for other purposes.

Monitoring and Reporting Requirements

42. BEIS will undertake regular data collection exercise and Local Authorities as in the usual process will retain the necessary data on the awards provided. Further guidance will be forthcoming to support this process. The data will include:
a) numbers of businesses eligible per scheme,
b) number of payments being processed and value per scheme, and
c) number of actual payments and value per scheme.

State Aid

43. The United Kingdom left the EU on 31 January 2020, nonetheless under the Withdrawal Agreement the State aid rules continue to apply during a transition period, subject to regulation by the EU Commission.

44. Authorities will be familiar with the administrative approach taken to State aid on previous business rates relief schemes operated under section 47. It is likely that payments made under these Schemes can be provided in the same way, however, further guidance will be issued shortly on this.

This does not include hereditaments that were not eligible for percentage SBRR relief but were eligible for the Small Business rate Multiplier.

Only one grant may be awarded per hereditament.

**GRANT RECIPIENT**

The person who according to the billing authority’s records was the ratepayer in respect of the hereditament on the scheme eligibility date. Where the local authority has reason to believe that the information that they hold about the ratepayer on the scheme eligibility date is inaccurate they may withhold or recover the grant and take reasonable steps to identify the correct ratepayer. Local authorities should make clear to recipients that the grant is for the ratepayer and may be liable for recovery if the recipient was not the ratepayer on the eligible day.

Local authorities to retain records of individual payment, as part of their usual processes. Local authorities to provide aggregate weekly reports on a) numbers of businesses eligible per scheme, b) number of payments being processed and value per scheme and c) number of actual payments and value per scheme.
