

Details of the Tour of Cambridgeshire for your information.

Tour of Cambridgeshire, which will happen on the 3/4th June 2023.

Below is a link to all of the road closure timings which, as always, have been broken down into sectors. We will ensure that these closures and disruption to the residents and businesses are kept to a minimum, with as many of the closures lifted as early as we possibly can (the timings below are the very maximum).

We know that you do get questions regarding the closures for the Tour of Cambridgeshire so please refer all of these to us at roads@tourofcambridgeshire.com and we'll do our best to help and answer those questions.

As it is the very last Tour of Cambridgeshire, we're organising a Charity Night on Friday 2nd June at the East of England Showground in aid of Cancer Research UK, after my Dad was diagnosed with an in-curable cancer just after ToC last year. We're currently sitting at £17.5k raised so far for the charity so it'd be great if you were able to join us for this. I've attached all of the details for your info.

We'd like to take this opportunity to thank you all for your support over the last 7 editions of the Tour of Cambridgeshire and we really hope to get some great support out on the route like we have over the many years we've been organising the event.

Thank you again.

Jess and the ToC Team
