Wednesday 10 May 2023

## Discover free support available to businesses in Fenland

Fenland business can get complimentary tickets to a special event where they can discover all the free support available to them – including how to access funding that can cover 50 per cent of project costs.

The Develop, Succeed and Inspire event is being hosted by Growth Works and supported by Fenland District Council's Fenland for Business.

Both organisations work to provide free advice and support to businesses to help them get established and grow, including by providing help around accessing grants and investment.

One grant currently available, with an upcoming deadline for applications, can cover up to 50 per cent of a project's costs.

The event will include presentations from Fenland for Business and Growth Works on support available.

Business leaders including Thomas Robson-Kanu, professional footballer and founder of Chatteris based The Turmeric Co, will also speak on the benefits of the support available.

The Develop, Succeed and Inspire event is being held on Wednesday (May 17) 9.30am to 12.30pm at The Boathouse Business Centre, 1 Harbour Square, Wisbech, PE13 3BH. Admission is free but booking is essential.
