<u>Ratified:</u> The Minutes of the meeting were approved and signed as a true record. Proposed Cllr Dorling, seconded Cllr Wicks.

FP65/2023 - Financials.

- 1. Bank Reconciliations to 31st August and 30th September 2023. Cllr Boden asked the Clerk to update members regarding the transfer of funds to a new account. The Clerk advised the 1-year bond with Cambridge and Counties Bank at a rate of 5% had been selected and all paperwork now completed and ready for submission. The Clerk will keep members updated.
- 2. Year to date Figures. Cllr Dorling asked for clarification of Jubilee Wood earmarked reserves. what should the earmarked figures be for jubilee wood. The Clerk ascertain the figures and discuss with the Chair). Cllr Mockett suggested no further increase in the MVAS cameras (we currently have 12, but only 11 working), and try to reduce the costs, by conversion to solar power. The Clerk to ask Mortlock if they can be converted.
- 3. Payment List for approval. 139 162 £8715.14. proposed Cllr Mockett, seconded Cllr Wicks.
- 4. Cllr Mockett advised members the .45 pence per mile was only advisory and we could pay less. This item to be deferred to the next agenda.

FP66/2023 - Agenda Items for Discussion

- 1. Review of Standing Orders Cllr Boden and the Clerk to review the Standing Orders and make recommendation to the council.
- 2. Electricity contract Current contract ends February 2024; Cllr Dorling will investigate the gas/electric and bring back to F & P in November.

- 3. Seating at the Manor Cllr Mockett requested this item be passed to Community Projects.
- 4. Budget 2024/25 Cllr Boden asked members to start thinking about the budget for 2024/25 and advised he and the Clerk will prepare version zero for the November meeting.
- 5. Polling place review Cllr Boden advised it is a legal requirement to have polling place reviews and one has been started by FDC. As far as WTC are concerned, there are two proposed changes, neither of which are acceptable. Polling District WHNW1, mostly to the East of Orchard Street and East Delph, in the recent by election both polling districts had to vote at SJA which was unsatisfactory as the turnout on the day from WHNW2 was 80% greater than turnout from WHNW1. The only location that is satisfactory would be the Baptist Church car park for NW1, however they cannot accommodate within the building during the day at a push we may be able to use the car park and have a mobile unit. Further discussion is required with the Elders at the Baptist Church. Cllr Boden proposed in light of the comparatively poor turnout in WHNW1 ward in comparison with the turn out in WHNW2 ward, WTC believes that it is not appropriate for both wards to vote at the same location and a new location needs to be found for residents in WHNW1.
- 6. Polling district WHEV5, FDC not planning to abolish the polling district, but anyone living in Turves would need to go to Coates to vote. Recommend to Full Council in no circumstances should the polling place for turves be in Coates, it must be in Turves.

FP67/2023 - Information

External Audit Report – The Clerk advised the council the audit report had been received with one matter reported. (FP was used as reference and no F).
